These funds are to help fund the Historic Florence Masterplan. Through this contribution you are part of our vision to rejuvenate and transform this significant (but under-appreciated) neighborhood. With your help, Florence is poised to become the Historical Entrance to Omaha!

This letter will serve as your receipt for this cash contribution. As Chair of Florence Futures, I attest to the fact that Florence Futures is publicly supported and exempt under section 501(C)3 of the IRS Code. I further attest that no goods or services were provided in exchange for this cash contribution.

Dear Deb and the Iowa West Foundation,

Your letter of support and the enclosed contract is most appreciated. Thank you for helping us to enact our vision of the Florence neighborhood. Your gracious grant award of \$9,000 will go towards master planning for the proposed East-West Gateway of Historic Florence. This region is rich in history. Though Winter Quarters is of national and even international significance, Florence's potential has been too long unrecognized. With your help we hope to enhance the I-680 Exit 13 as the Historic Entrance to Omaha and define Florence's future through heritage tourism.

Again, on behalf of Florence Futures, a 501(C)3 nonprofit organization, thank you.

Sincerely,  
Linda Meigs, Chair  
Florence Futures, Inc.
